

Nail Spa Volunteer

1. Are you a fun, caring and outgoing person who loves interacting with seniors?
2. Do you enjoy painting others' nails?
3. Are you available on Thursdays from 5:30 pm to 7:00pm?

If you've answered YES to all these questions then volunteering as a Nail Spa Volunteer will be a great fit for you! We also welcome small groups (2-5) to join us!

Nail Spa at Eliza Bryant Village is a time of relaxation for our seniors. It is a great way for both men and women to fellowship with one another through great conversation and of course, nails!

The materials will be provided by Eliza Bryant Village. You will just need to come with your nail painting skills and a listening ear.

Responsibilities for the Nail Spa Volunteer will include:

- Assisting with transporting seniors in wheelchairs to and from the activity rooms, rest rooms, dining rooms, and their personal rooms.
- Painting seniors' nails and offering hand massages.
- Cleaning up after nail spa activities.
- Engaging seniors through conversation.
- Reporting changes in seniors' behavior, safety hazards, or procedural difficulties to the Director of Village Enrichment.
- Adhering to the Volunteer Handbook & Policy Manual.

A detailed orientation and training will be provided upon start of service at Eliza Bryant Village.

The Nail Spa Volunteer should exhibit dependability, punctuality, enthusiasm, affection, flexibility and patience. Our seniors enjoy having their nail time so this expected to be fun for both seniors and volunteers!
