

Eliza Bryant Village Employee of the Month
February 2019
Eurcelle Jackson, Licensed Practical Nurse (LPN)

Congratulations!

Eurcelle Jackson serves the residents of Eliza Bryant Village with kindness and patience. For six years and six months, Ms. Jackson has served as a LPN at the Village.

She is our Employee of the Month for being kind, patient, and always working as a team player.

“I’ve always worked on the dementia care unit where I know I may not always be recognized by my face or my name. It’s the moments when a resident reaches to grab and play with my arms or look up in a split second recognizing it’s me and they know they’re going to be well taken care and are safe – that is why I love working at EBV. My residents are my extended family.”
