Eliza Bryant Village Employee of the Month May 2019

Luenna Trice, State Tested Nursing Assistant (STNA)

Congratulations!

Luenna (Lue) Trice loves her residents. For one year and two months, Ms. Trice has served as an STNA at the Village.

She is our Employee of the Month for smiling and taking pride in her work. When asked why she likes working at Eliza Bryant Village, Lue said,

“...because Eliza Bryant Village is like family. I feel like I’m doing God’s work in taking care of the residents at Eliza Bryant Village. They are like family too!”
